

Unit 308, 28 Harvey St, Little Bay

Coastal Hideaway with Serene National Parkland Views

🛏 1 🚿 1 🚗 1

On the third floor of its secure complex, this one-bedroom apartment offers a serene hideaway immersed in nature. With a rare privacy seldom found in apartment living, it comes complete with views across the treetops of adjacent national parkland.

Modern and spacious, the apartment embraces a flowing indoor-outdoor design. A wall kitchen features stone benches, stainless steel appliances and gas cooking, with a tiled dining area set adjacent. Both the living area and bedroom offer access to a full length entertainer's balcony, with ocean glimpses a reminder of this tranquil haven's proximity to the water. Additional highlights include air-conditioning, a video intercom, internal laundry, built-in robes, secure basement parking with lift access and a separate storage cage.
